It was a little shocking, albeit very exciting, when the **Jonas Brothers** announced their return to making music as a band with "**Sucker**" and an album announcement. They'll be touring for **Happiness Begins** in August, and this will be the first time we've seen all three of the brothers together live since their hiatus began in 2013. You know what that means. It's time to brush up on their classic hits. Do you still listen to *A Little Bit Longer* every day? Are you ready to scream along with every word? Or did you forget about them entirely until now? Take this quiz to test your knowledge of these classic Jonas Brothers lyrics:
